Subject: Letter of Gas Availability for “Newbury Market Tractor Supply” – located along Holland Street in South Fayette Township, PA.

Dear David:

Thank you for your interest in the Peoples Natural Gas Company. We have reviewed your request and have determined that natural gas service is available to serve the “proposed” project known as **“Newbury Market Tractor Supply” – located along Holland Street in South Fayette Township, PA.**

Please be aware that any time we extend our mainline or increase our capacity, a possibility exists that there may be a cost to you, the requesting party. The determination of cost will be made once a gas application and formal site plans have been submitted.

At a high level we would be able to provide this unit service, but we cannot guarantee this until we have processed a formal application.

To submit a gas application, you will need to:

- Please provide the following items to complete your application for gas service:
 - Service Address
 - Approval Letter Name/Address
 - Billing Name/Address
 - Gas equipment and load information (BTUs)
 - Pressure Requirements
 - AutoCAD file of Site Plans (.dwg file)

If you have any questions about submitting your gas application, please call us at (866) 654-4660.

Sincerely,

Peoples Natural Gas Company
