Re: Millers Run, Alpine Road – Survey Proposal

Dear Mr. Barrett:

We wish to thank you for requesting a proposal from KU Resources, Inc. to perform professional survey services related to an existing conditions survey on the intersection of Millers Run Road and Alpine Road for the purpose of designing proposed roadway improvements.

The limits of the survey are shown upon the attached aerial view of the project area. This will involve survey locations and plan of approximately 1,200 lin. ft. of roadway. Our estimate to perform this service is \$ 6,600.00

Should you find this acceptable, please complete and sign the following acceptance. We will then meet with Mr. Haberman of the Gateway Engineers to assure we are obtaining all the information he will require prior to beginning the work.

Sincerely Yours,

Best Wishes,
