

**Project Name:** SR 0050 and Alpine Road Signal Design and Permitting

**Project Number:** C-18997-0016

**Project Location:** South Fayette Township, Allegheny County, PA

**Work to be Performed**

As directed by South Fayette Township, Gateway will assist with the preparation of design and permitting plans as well as bid documents for a new traffic signal at the intersection of S.R. 0050 and Alpine Road. PennDOT performed signal warrant study at this intersection as requested by the Township and determined that a signal is warranted. The design and permitting and construction are the responsibility of the Township. This Work Authorization does not include survey services. It is assumed that the required survey will be performed by KU Resources and provided to Gateway in AutoCAD for use in the design.

**Fee Schedule**

Our fees will not exceed \$20,000.00 without submitting and receiving another signed work authorization prior to continuing our work. The above Work to be Performed will be billed on a time and materials basis. Invoicing for the project will occur monthly in accordance with Gateway's 2019 hourly rate schedule. Gateway shall provide timely status reports regarding the progress of the work.
