Mr. John Barrett
Township Manager
South Fayette Township
515 Millers Run Road
Morgan, PA 15064

Dear Mr. Barrett

Over the past six (6) months, it has been a pleasure to work with you on our efforts to relocate our mental health residential program from Hickory Grade Road to the Abele Office Park. It has been one of the most challenging and frustrating events of my career but found your support to be an oasis during this project.

I would like to request one more consideration as we finalize this phase of the project. As you may know, Burns and Scalo Development required us to utilize their services and vendors for this project, which left us with essentially no control over pricing/cost. Consequently, we found that the cost of the project soared to more than \$100K over the initial estimate which exceeded funds we were able to set aside. We are seeking cost relief wherever possible. Initially, we asked for relief from South Fayette by waiving permitting costs, but it was suggested a refund of the December rent (\$5,600) for the Hickory Grade Road location would be a comparable and simpler consideration.

Per your correspondence, I am planning to attend the Township Commissioners meeting on March 9th. In the meantime, if there is any information you may need from me, please let me know.

Warm regards,
