

# June Meeting Updates

- ▶ Continue to manage escrow process, we received additional wires and checks for both past due and current accounts.
- ▶ ARPA Funding FAQ
- ▶ Is there a deadline to use the funds?
- ▶ Funds do not have to be obligated until December 31, 2024, and unexpended funds are not subject to recapture or return until December 31, 2026.
- ▶ What are the eligible uses of SLFRF funding?
- ▶ These four uses are split into 7 summary expenditure categories:
  1. Public Health
  2. Negative Economic Impacts
  3. Services to Disproportionately Impacted Communities
  4. Premium Pay
  5. Infrastructure
  6. Revenue Replacement
  7. Administrative
- ▶ Wait and See Approach, 1<sup>st</sup> round of reporting was Due April 30<sup>th</sup>. After this reporting is digested by Treasury, I expect additional guidance and clarification to be put out concerning uses of funds. Many uses I have heard of seem not to qualify under the rules of the expenditure categories. It would be prudent to see if regulations are relaxed or how this is handled to give us a better idea of the Federal Governments expectations.
