RE: Minor Amendment to PAG-02 Coverage Approval
Project: Newbury Market - BJ's Wholesale Club
ACCD File Number: ESP-00441
Permit Number: PAC020078-2
Municipality: South Fayette Township

Dear Eric Newhouse,

Under the authority of the federal Clean Water Act and Pennsylvania's Clean Streams Law, the Allegheny County Conservation District has approved your request for a minor amendment to your permit. The latest versions of the application and all supporting documents, including the Erosion and Sediment Control (E&S) Plan and Post-Construction Stormwater Management (PCSM) Plan, are incorporated into this approval.

The terms and conditions of your permit, including the expiration date, have not otherwise changed. In addition, if stormwater discharges associated with construction activities are expected to continue beyond the expiration date of your coverage, you must apply to renew your coverage at least 180 days prior to the expiration date, unless otherwise approved by the Department of Environmental Protection (DEP) or the District.

If you have additional questions, please contact our office at (412)-241-7645 and refer to **ACCD File Number ESP-00441**.

Sincerely,

Matt Gordon
