Section 1. That a tax be, and the same is, hereby levied on all real property within the Township of South Fayette, subject to taxation for the fiscal year 2013, as follows:

One hundred five percent (105%) of real estate tax revenue collected in 2012 from the 2012 real estate tax levy, divided by the assessed value of real estate in the Township of South Fayette, as certified by Allegheny County, plus the five year average (using years 2007 through 2011), of the annual net decrease in revenue resulting from final dispositions of assessment appeal. At the option of the Commissioners, the ministerial act of calculating the precise millage rate resulting from the formula set forth above may be accomplished by further Ordinance of the Commissioners promptly after receipt of all the above-referenced data or by other legal means.

Section 4. In the event that the Township receives tax revenue in excess of the limitations set forth in 16 P.S. §4980.2, then such excess revenue shall be maintained in a separate fund and may be used for payment of refunds of real estate taxes to property owners who have obtained reductions in their proposed 2013 tax assessment.
